Introduction

This publication is a correlation of the PBS LiteracyLink[®] *Workplace Essential Skills* videotape and workbook series to Forms 7 and 8 of the Tests of Adult Basic Education (TABE). (These materials are correlated to the Complete Battery editions.)

LiteracyLink[®] is a joint project of PBS, Kentucky Educational Television, the National Center on Adult Literacy, and the Kentucky Department of Education.

Using the Correlation

Instructors can use this correlation as a placement tool based on a student's performance on the TABE or as a diagnostic tool to help students strengthen specific skill areas. The **numbers** on the charts refer to specific questions on that form of the TABE. For example, on page 2 the 46 across from *Schedules* indicates Question 46 on TABE Form 8, Level M.

This correlation includes Levels M and D of TABE 7 and 8. These levels are written in the following target grade ranges:
Grade Ranges: M (Medium) 3.6-6.9 D (Difficult) 6.6-8.9
